COVER
The photo image is courtesy of Dr. Tanja Nusser and was taken in Essen, Germany at the UNESCO World Heritage Site, Zeche Zollverein. As editor-in-chief, I chose this image for its symbolism, as the circles appear to infinitely recede into the distance, while simultaneously progressing into the foreground. It is my hope that our FoGS journal will continue to serve as a recognizable academic land/trademark here at UC that can be viewed from various focal points.
